## Your Appointment:

Please allow at least 2 hours for a thorough assessment.

Your pupils will be dilated. You should not drive yourself home after dilating eye drops.

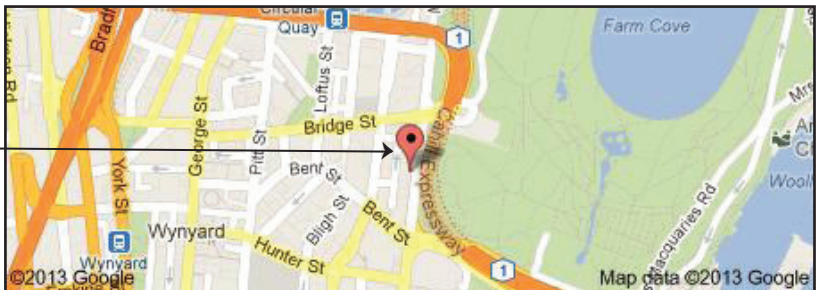

Please bring with you:

- your referral
- an updated list of your medications
- your spectacles, and a pair of sunglasses to minimise glare after your appointment.

## How to find us:

Sydney Ophthalmic Specialists is located at Level 13, 139 Macquarie Street, between Bent and Bridge Streets and opposite Botanic Gardens. City X-ray are on the ground floor and their signage is clearly visible. There is wheelchair and stroller access with a ramp at the front door. Close railway stations are Martin Place, Circular Quay and Wynyard. Parking stations are located at the Domain and the Opera House.
